**Burlington Stores and The Leukemia & Lymphoma Society
Continue their Partnership in the Fight Against Blood Cancer**

Burlington hosts their annual in-store fundraising campaign helping to provide life-saving funds for leading-edge research to benefit pediatric cancer patients

RYE BROOK, NY, October 3, 2022 – [The Leukemia & Lymphoma Society \(LLS\)](#), the global leader in the fight against blood cancer, and [Burlington Stores](#), a major off-price retailer offering WOW deals on customers' favorite brands for the entire family and home, are once again teaming up to raise critical funds for lifesaving research, care, and treatment for children with blood cancer. Funds raised in Burlington store locations nationwide will not only further support LLS's goal of helping blood cancer patients survive and thrive but will benefit their [Dare To Dream Project](#), supporting children and their families impacted by blood cancer.

Starting today through November 7, 2022, Burlington is encouraging customers to donate at checkout in their more than 870 stores nationwide. A donation made at checkout can help to support cutting-edge blood cancer research and help improve the lives of children.

LLS's Dare To Dream Project is dedicated to transforming treatment and care for children with blood cancer, advancing safer, more effective treatments with fewer long-term side effects than traditional chemotherapy which can harm healthy cells. Through research, patient education and support, as well as policy and advocacy efforts, LLS strives to help every child with blood cancer get accessible, affordable, quality healthcare.

"For more than two decades, Burlington has been a valued partner, contributing to LLS's investment of more than \$1.5 billion in cutting-edge cancer research," said Louis J. DeGennaro, PhD, President and CEO, LLS. "Burlington's in-store fundraising campaign provides essential funds that pave the way for new discoveries and patient support services, that could lead to better outcomes for patients. Thanks to Burlington and their customers, we can continue to fund

LLS's mission and the critical work we are doing in the pediatric cancer space through The Dare To Dream Project.”

“We are excited to continue our partnership with LLS, raising critical funds from our generous customers and associates for life-saving research and treatments,” said Michael O’Sullivan, CEO, Burlington Stores. “This year, we are pleased to further our support of children and their families impacted by blood cancer through the organization’s Dare To Dream Project.”
